

# Sechelt Garden Club

*Thank You! Thank You! Thank You!*

We are honored and extremely grateful for the many generous contributions to the Cascade Green Park Butterflyway Garden project without whose support the butterfly garden would never have been created.

To the District of Sechelt for their expert guidance, removal of invasive species and delivery of rich mulch, a big thank you to Jayme Anderson, Kevin Bradley and Taylor McKay for their time, advice and on site work.

A special thanks to the Sechelt Garden Club and their many volunteer members for on going assistance, both financial and in the butterfly garden.

Many thanks go out to Neighborhood Small Grants and the BC Housing Association who provided financial assistance to purchase native plants.

Thank you to the Sunshine Coast Community Forest for their generous contribution to purchase the educational interpretive butterfly signage.

Many thanks to the Sunshine Coast Credit Union for their generous financial assistance to purchase the park bench and native plants.

A huge appreciation and many thanks to the West Sechelt Elementary School kindergarten classes who raised funds through a toy sale to purchase host and nectar plants for the butterfly garden.

Thank you to the Sunshine Coast Butterflyway Rangers and the West Sechelt community volunteers for their financial support and hard work.

Thank you to Salish Soils for their contribution on the soil purchase.

Special thanks to Rand Rudland for the many volunteer hours of research, edits and installation of the interpretive butterfly garden signage.

Special thanks and appreciation to Corinne and Dave McConchie for their continuous work removing invasive blackberries, taking fantastic photos, giving moral support to others, and with the ongoing monitoring and maintenance of the butterflyway garden.

Thank you to all those that could not be there but supported the volunteers, the Butterflyway Rangers and the butterfly garden project through emails, by donating native plants, butterfly quilts, gift baskets, auction items, raffle prizes, garden books, writing letters of support and saying a few encouraging words. A special thank you to the local artists and businesses who have generously contributed to the silent auction.
